

A COUPLE OF DAYS BEFORE YOU MOVE

- Clean out medicine cabinet and dispose of unwanted medicines.
- Empty fuel from o/b motors, mowers, lamps, generators etc
- Empty and wash garbage bins and vacuum cleaners.
- Obtain packing materials from Fr8Logistics for items you would like to pack yourself.
- Sort out and clean garden tools and items from the garden shed.
- Return any borrowed items so they do not get packed by mistake.
- Defrost the fridge, freezer and ensure that they are cleaned as well as other kitchen storage items.
- Dismantle any pre-fabricated items. Eg: computer desk.
- Contact Fr8Logistics regarding Marine Insurance for your personal effects. An accurate value on your goods will need to be calculated.
- Arrange for the disconnection of any special electrical items or light fittings
